*Dear Rotarians!*

**This year, the Multi-Club Workshop will be hosted by  
Rotary Club Beograd Centar!**

**... and we would like to welcome you to be a part of this!**

The Multi-Club Workshop is an initiative that started in 2006 with a meeting between Swedish and Italian Rotary clubs. The idea that these people considered was to develop friendship among people and find common humanitarian project to support. **Leonardo de Angelis** from Rotary Club Ravenna proposed this idea and then brought it from thought to action by starting and coordinating an annual Multi-Club Workshop that were to be hosted by a Rotary club every year. **The 1<sup>st</sup> RI Multi-Club Workshop was held on 15<sup>th</sup> September, 2007 at Stockholm, Sweden.** And since that first meeting there has been one Workshop in **Bari, Riga, Ravenna, Malmö and Manfredonia.** Since 2007, many Rotarians, Estonian, French, German, Italian, Latvian, Russian, Serbian, Spanish and Swedish have attended at the Multi-Club Workshop.

The Multi-Club workshop's purposes are:

**Workshop:** This is where the gathered Rotary clubs together examine what kind of projects they could perform together.

**Pleasure:** Build friendship and visit local attractions.

Every year, each club' representative can present one project to the participating Rotarians. And the task for them is to pick one or more projects to support with a funding. Once the club boards have definitely approved one or more of the projects selected at the workshop, funds can be transferred to the bank account of one primary sponsor and project/s can be implemented.

*Thanks to the 6 past Multi-Club Workshops, the participating Rotary clubs have implemented 11 projects and are implementing 5 more ones, for a total value equal to US\$ 476.000 that is an average of US\$ 30.000/project.*

***All these projects have changed the life of many children!***

In the past 6 Multi-Club Workshops, many people have met and enjoyed the local attractions and convivial events. By these meetings, Rotarians have surely contributed to the Peace in the world.

This year Rotary meeting will take place in Belgrade, the capital of Serbia. And its subject will be the following:

### A bridge for Peace

**Many Rotarians from Bosnia and Herzegovina, Kosovo, Macedonia, Montenegro and Serbia will meet with many other European fellows.**
