Service

Effective service projects can translate into effective clubs. By carefully selecting, planning, and evaluating a project, a Rotary club can successfully carry out service projects that address community needs.

In the Service tab, club officers can set goals for service projects, Youth Programs, and Youth Participation.

Trends

These charts show the resources your club has dedicated to service projects during the current Rotary year and the previous two years.

The RI Board of Directors requires that all Rotaract club presidents provide current club information including names, personal email addresses, and gender for all club members at least twice a year through My Rotary. Rotaract club presidents that have not been reported to Rotary International must do so through the online form. Once reported, Rotaract club presidents must create a My Rotary account. While in My Rotary, club presidents must update or confirm the club and member information and report the club’s president-elect by 30 June. Rotaract clubs that fail to meet this requirement are at risk of suspension or termination.
