INTERACT

Interact is a club for young people ages 12-18 who want to join together to tackle the issues in their community that they care most about. Through Interact, you can:

- Carry out hands-on service projects
- Make international connections
- Develop leadership skills
- Have fun!

HOW DOES AN INTERACT CLUB CREATE POSITIVE CHANGE?

Every Interact club carries out two service projects a year: one that helps your school or community and one that promotes international understanding.

Service projects are an effective way for you to take action at home and abroad, connect with other young leaders, and get members excited about your club. You can find ideas and tips for successful projects in the [Interact Handbook](#).

HOW DO I JOIN AN INTERACT CLUB?

First, ask your friends or a guidance counselor if there's already an Interact club at your school. Look online for local Interact clubs in your community. You can also [contact a local Rotary club](#) to find out if they sponsor an Interact club.

Interact clubs meet at least twice a month. Contact the club to find out about its next meeting, service project, or social event.

If you want to learn more about Interact, watch "[Students Making a Difference](#)," the 2012 Interact Video Contest grand-prize winner, or any of the other [entries](#) to see how young people, like you, are changing the world through Interact.
